

SIMS AS WITNESS REPEATS WARNING ABOUT BRITISH

Tells Committee Ad-
miral Benson Made
Statement Quoted

SHIP NEED TOLD IN LETTERS

WASHINGTON, March 22.—Rear-Admiral Sims told the senate investigation committee today that Rear-Admiral Benson, chief of naval operations during the war and now chairman of the shipping board, was the officer who told him "not to let the British pull the wool over your eyes; we would as soon fight them as the Germans."

"This was not a formal instruction," the admiral said, but was told to him in the presence of other naval officers after Secretary Daniels had given him final instructions just before his departure overseas. It was repeated the following day, he declared, and again six months later when Admiral Benson reached Paris.

Admiral Sims was reluctant to reveal the name of the officer making the statement, explaining that he had kept his presentation of the case clear of personalities and that he wished to continue to do so. Chairman Hale insisted, however.

Benson Anti-British.
Explaining his interpretation of what Admiral Benson said to him, the witness said he had not given the statement serious consideration at the time because he had assumed that it resulted from what he described as an intensely anti-British feeling entertained by Admiral Benson. He added that Admiral Benson was an upstanding and an honest man, exceedingly strong in his adherence to his convictions. It was due to Benson's personal confidence in him that he was sent abroad and later reached the highest naval post overseas, the officer stated. Commenting briefly on Secretary Daniels' statements before the committee, Admiral Sims said that in his testimony he made the secretary state that he had reminded me of the "indiscretion in a speech I made at Guild Hall."

"The secretary's recollection on that point is thoroughly mistaken," the witness added, "no reference was made by anybody in the navy department to that occasion."

In reply to questions by Senator Pittman, calculated to bring out the fact that the secretary was regarding naval decorations before Secretary Daniels received it, Admiral Sims declared that neither he nor any member of his staff gave the matter any publicity.

"I am no spring chicken," said the officer, "and I am not putting my head into a noose unnecessarily. I even carried the only copy of the letter in my pocket so I would know it did not get out prematurely."

Senator Pittman read a number of letters and papers from Admiral Sims' files including a letter to Secretary Daniels dated November 15, 1917, declaring that the extent of American military participation in the war was dependent upon the rate of ship building in the United States and suggesting that "a good proportion of our national army could perhaps be more efficiently utilized in prosecution of the war by actually utilizing it as labor in American shipyards. The senator also read an unsigned memorandum which Sims said he did not write, commenting unfavorably on the growing sentiment early in 1918 for the formation of a separate American army in France.

STANDARD SHOE

PRICES COMING DOWN

New York, March 22.—Prices of standard shoes will be reduced during the spring and summer, John J. Slater, president of the Retail Shoe Dealers' association, announced today in a communication to Arthur William, federal food administrator. Retailers at a recent meeting decided to be content with a smaller margin of profit, Mr. Slater said. Reductions, however, will not apply to "all kinds of fancy and ultra fashionable footwear."

The action of the retail shoe dealers, Mr. Williams said, probably presaged the beginning of a general narrowing of profit margins in other wearing apparel.

PREPARING FOR DIVORCE

LONDON, March 22.—The application of the Duchess of Devonshire, formerly Consuelo Vanderbilt, for a decree for the restitution of conjugal rights, was granted by the court today. The petition is the usual preliminary to divorce in this country. The court orders the decree to be obeyed within fifteen days et alia shrdl within fourteen days after its service upon the Duke.

RAILROAD CONFERENCE

RESUMED
Washington, March 22.—Representatives of the railroad corporations and the employees' unions today resumed their conferences on creation of the railroad board of transportation act. The sessions of the conference today were executive.

COLBY WILL ENTER ON NEW DUTIES AT CAPITAL TODAY

Secretary of State's Appointment
Confirmed in Senate
by Unanimous Vote

WASHINGTON, March 22.—The nomination of Bainbridge Colby as secretary of state was confirmed today by the senate. It was understood that no objection was raised to the confirmation of the nomination which has been the subject of extended secret hearings by the foreign relations committee. There was no record vote on confirmation.

Senator Lodge, Republican leader and chairman of the foreign relations committee, presented Mr. Colby's name with a favorable recommendation from the committee.

Testimony before the committee was not given to the public. Senator Lodge said that publication of the committee's report, which has maintained uniform and decided reticence regarding statements of all witnesses, including the final statement last week of Mr. Colby.

Word reached the state department late today that Mr. Colby had left New York for Washington and would take the oath of office tomorrow.

The first business to receive the secretary's attention will be the issuance of about 4,000 passports that have accumulated since Under-Secretary of State Polk ceased to act as secretary.

Re-organization of the department also will be one of the tasks that will confront the new secretary. There are many vacancies among the subordinate officers to be filled and the office of assistant secretary was vacant since William Phillips was appointed minister to The Netherlands.

Under-Secretary Polk will resign as soon as Mr. Colby gets the machinery of the office running smoothly.

RAILROAD MEN TO OPPOSE CUMMINS

Iowa Senator One of Public
Officials Whose Scalp
Workers Seek

Washington, March 22.—Senator Cummins, Republican, Iowa, is one of the members of congress organized labor will attempt to defeat in November, according to L. E. Sheppard, acting president of the Order of Railway Conductors, who is in Washington today attending the railroad wage conference.

Senator Cummins was the author of the anti-strike provision in the railroad bill which was thrown out in conference. Mr. Sheppard indicated that union officials were carefully studying the record of every member of congress with respect to his stand on this provision and other labor matters with a view to opposing in the elections those regarded as inimical to organized labor.

The headquarters of the railroad conductors is at Cedar Rapids, Iowa, and it is said that this union will organize the fight against Senator Cummins. Mr. Sheppard said, however, that union labor had not yet decided on a candidate to oppose Senator Cummins, whose term will expire next March.

PROPOSES NEW BOND ISSUANCE

New Jersey Senator Says Measure
Is Designed to Begin Payment
of Nation's Debts.

Washington, March 22.—Senator Frelinghuysen, Republican, New Jersey, today introduced a bill authorizing the secretary of the treasury to issue not to exceed \$30,000,000 of bonds to be exchanged for liberty bonds of the first, second, third and fourth issues, at the option of the holders of the liberty bonds.

The proposed issue would bear interest at 3 1/2 per cent, and would be payable in 50 years, and would be exempt from all national, state and local taxes except estate and inheritance taxes.

Included in the bill was a provision for establishing a sinking fund to redeem the issue at or before maturity. Senator Frelinghuysen said the measure was calculated at a "start toward liquidating the nation's enormous war debts."

PROPOSES ADJUSTED PAY FOR SERVICE MEN

Washington, March 22.—Payment of adjusted compensation to former service men at the rate of a dollar a day was proposed before the American Legion executive committee here today as a substitute for the original proposal of \$50 for every month of service.

Members of the committee said representatives of the legion posts in 36 states endorsed the four fold soldier relief bill including land settlement, home aid, vocational training and adjustment of compensation, which was presented to congress several weeks ago.

ROGER SULLIVAN ILL

Chicago, March 22.—Roger Sullivan, Illinois Democratic leader, arrived here today from Hot Springs, Ark., in the care of his physician. He is suffering from an acute attack of bronchitis. Mr. Sullivan's condition is not alarming, Dr. Charles L. Mix, his doctor said, but he was brought home that he might have better care.

RAILWAY BOARD WILL CONSIDER WAGE INCREASES

Pennsylvania R. R.
Man is Chosen
Chairman

UNIONS DENY EXPENSE STORY

WASHINGTON, March 22.—Formation of the joint railway board was completed tonight by the conference committees representing the railroad corporations and the sixteen railroad unions, which elected E. P. Wherry, of the Pennsylvania railroad, chairman. The bi-partisan body now is ready to begin consideration of the wage demands of the two million workers made last August and which since have been twice before the president without a settlement being reached.

The board today began the task of re-examination of the voluminous records and data gathered by the wage adjustment boards of the railroad administration with respect to the working conditions. Contrary to the union forecast the corporation representatives agreed to include these as part of the board's wage records and to employ them as far as practicable, as a basis upon which to discuss the long drawn out controversy.

Will Study Specific Points.
The suggestion of the president that the board should give close study to the relationship between present railroad wages and the cost of living and also to the pay of labor in other lines of industry probably will not enter into the conference until toward the end. The disposition seemed to be to talk of "specifics" rather than "generalities," at the outset and on this point, union leaders said they had won.

The railroad representatives explained that the Association of Railroad Executives had instructed them to enter the negotiations "in a spirit of co-operation," but that the union leaders' financial responsibilities rested on the shoulders of the corporations which must be considered when wage claims were under consideration.

Union leaders scouted the report that their demands would aggregate an additional \$1,000,000,000 on railroad operating expenses. They thereupon admitted but its proportions they did not believe would attain any such aggregate.

AMERICAN LEGION PROPOSAL TO CONGRESS

WASHINGTON, March 22.—The executive committee of the American Legion tonight put up to congress the proposal to pay adjusted compensation to former service men and women at the rate of \$1.50 for every day of service.

This action reversed a previous vote taken by the committee which recorded 37 state representatives in favor of the legislative committee's plan for cash relief at \$1 per day which was adopted as a substitute for the original proposal of \$50 a month. The committee's determination to boost relief followed a general review of a composite bill which the legion will present to the house ways and means committee Wednesday including privileged land settlement, building aid, and extension of vocational training.

CHICAGO CITY EMPLOYEES MAY STRIKE

Chicago, March 22.—Chicago's city hall will be closed Thursday by a general strike of 600 clerks, stenographers, typists and other employees unless city council grants a flat wage increase of \$25 per month. Councilmen were notified this morning.

Representatives of the municipal employees union served notice on the council this morning. Eight hundred city chauffeurs and teamsters struck this morning. Five hundred street sweepers were thrown out of work as a result. At the request of Health Commissioner John Dill Robertson, city ambulance chauffeurs agreed to remain at work.

MAN'S FROZEN BODY FOUND ON ICE CAKE

Sault Ste Marie, Mich., March 22.—A grim reminder of the foundering of the steamer John Owens last November was found today when fishermen on the ice about three miles west of Crisp Point, picked up a frozen body on which was a life belt bearing the mark "John Owens."

An identification card bore the name of "W. Reilly."

The John Owens sunk in a storm last November with all hands. This is the first body recovered.

FRENCH PUGILIST ARRIVES

New York, March 22.—Boxing promoters and enthusiasts assembled in New York today to welcome Georges Carpentier, the French pugilist who, with his bride, was a passenger on the steamship La Savoie, which arrived off La Pointe early today. Carpentier will remain here five days and then will depart for the Pacific coast. During his stay in the United States it is expected he will sign a contract to meet Jack Dempsey.

SUFFRAGE LEADERS STILL HOPEFUL IN DELAWARE

DOVER, Del., March 22.—Caucuses of Republican and Democratic members of the state legislature which convened in special session today at which it had been planned to decide the parties' courses on the suffrage question tonight were postponed until tomorrow.

The meetings are expected to be held after Governor Townsend delivers his message in which he is expected to make a strong plea for the ratification of the suffrage amendment.

There was much jockeying among members of the legislature today on the suffrage question, the anti-suffrage leaders declaring that if the question was brought up this week it would meet certain defeat. The suffrage leaders who previously had insisted on immediate action now are seeking delay, it was said, in the hope that more favorable sentiment would develop.

BORAH ASKS FACTS ABOUT GEN. WOOD'S BIG CAMPAIGN FUND

Senator Charges Ruthless
Money Expenditure Makes
People Restless

WASHINGTON, March 22.—Acting on published reports that large sums had been contributed to Major General Leonard Wood's campaign fund, Senator Borah, Republican, Idaho, called on the general and his campaign managers today, for the names of subscribers, amounts, and the manner in which it is being used.

General Wood's managers not only owe it to their candidate but "still more to the party and the country to clear these charges in an unmistakable way," Senator Borah declared in a statement.

Letters are Quoted.
"That a vast sum of money is being spent is perfectly apparent," have seen letters from South Dakota, Virginia, and Illinois, showing that the people generally are becoming very restless in the face of the apparent use of money for corrupt purposes.

"From what I have known of General Wood I would not suspect him for a moment of doing the things himself which are being charged against him in this campaign. But it is not sufficient that he does not himself actually participate. He cannot be the recipient of favors of such a campaign without himself being responsible."

"I hope General Wood, or his managers, will permit this matter to go until it will become a subject which others will have to take hold of."

U. S. NAVY TO EQUAL ENGLAND'S BY 1924

WASHINGTON, March 22.—America's navy will about equal that of Great Britain in fighting power by 1924, Chairman Butler, of the naval committee told the house today in defending the provision in the naval appropriation bill for continuing work on the eighteen capital ships now under construction.

"In the next four years," said Mr. Butler, "the United States will put out the most formidable armada the world has ever seen produced in a similar period."

In 1924, he continued, Great Britain will have sixty battleships, the United States 47, France 26, Japan 16, and Italy 13. While England will have more ships, he added, these of the United States will be about equal in power.

Representative Kitchin, of North Carolina, former Democratic leader, opposed big ship construction, saying that England, Russia and France were not building "sea monsters."

The house refused to increase the appropriation for aviation from \$15,000,000 to \$25,000,000. Appropriations aggregating \$4,000,000 for the development of Pacific Coast shore facilities were approved. Most of the money was for use at San Diego, Calif., the bill providing that the government accept from the city two plots of ground.

An appropriation of \$250,000 for beginning development of a submarine and destroyer base at the mouth of the Columbia river, on 115 acres of land given by Astoria, Oregon, was approved.

OPEN SHOP UPHOLD BY HIGH COURT

Boston, March 22.—The open shop was upheld by the full bench of the supreme court today when it ordered a permanent injunction to issue against Photo Engravers local and international unions, restraining them from the business of Wright & Co. and the Folsom Engraving Co. Refusal of the companies to comply with a union demand to conduct their shops on a closed basis had resulted in a strike declaration.

FORMER ARMY CAPTAIN FINED

Detroit, March 22.—Sorterios Nicholson, former army captain convicted with Grant Hugh Browne and Lester Waterbury of conspiracy to defraud the government in the purchase of ordnance salvage, was sentenced in United States district court today to pay a fine of \$1,000.

Browne and Waterbury were sentenced two weeks ago to serve prison terms.

ST. LOUIS ATTORNEY HAS FEDERAL JOB

St. Louis, March 22.—Charles P. Williams, local lawyer, today was notified by the government that he had been appointed special counsel to straighten out the legal affairs of the railroad administration in the southwestern region.

TRAMP STEAMER ARRIVES IN PORT

GALVESTON, Texas, March 22.—The tramp steamer Marie, of the Ocean line, flying the German colors and officered and manned exclusively by Germans, has arrived in port from Hamburg. The vessel is the first to carry German colors into this harbor in more than three years. None of the crew was permitted to disembark. The tramp is taking on a cargo of relief foodstuffs, cotton and agricultural machinery for Germany.

COL. BROOKHART TO OPPOSE SEN. KENYON

Des Moines, Ia., March 22.—Announcement of the candidacy of Col. E. Smith Brookhart of Washington county for the Republican nomination of U. S. senator from Iowa was published here today. He will oppose U. S. Senator Albert Cummins.

EXPECT WILSON TO NOTIFY POWERS ABOUT TREATY

May Couple State-
ment of Purposes
With Notes

SENATE HAS NO IDEA OF PLAN

WASHINGTON, March 22.—In the absence of any authoritative word from President Wilson today on the ratification of the treaty with Germany, the impression gained by weight in diplomatic circles today that the first step probably would be a notification to the other powers that ratification had been refused by the senate.

May Indicate Purposes.
In some quarters it was predicted that Mr. Wilson might, however, combine a notification of the treaty's failure with an announcement of his future purpose in the matter, in order that the nations that have ratified may be advised of what course they can expect developments here to take.

Senate leaders are understood to have been influenced in part by such a possibility in their decision to delay action on a declaration of peace, pending to know what the president will do before they take any further steps. Today there was some discussion of the peace declaration proposal informal conferences between senators, but it was predicted that it would not come up on the floor for two weeks or more.

There are many varieties of opinion in senate and house, both of which would have to act on a peace resolution as to the exact form the declaration should take.

Do Not Count Treaty Dead.
Mild reservation Republicans have told their party leaders they would be adverse to including any statement of policy which would regard the treaty and the league of nations as dead, while Republican irreconcilables want questions of policy left out of the resolution entirely.

The question of establishing a modus vivendi with the allies over the clauses of the Versailles treaty in which the United States is inextricably bound by her interests, in case a separate peace with Germany is decided upon, it is not believed to offer great difficulties. Officials of the allies it is thought would be quick to endeavor to reach an understanding which might preserve ties established by the war.

In some diplomatic quarters it was thought probable that a separate peace might be established with Germany a modus vivendi negotiated with the allies and the question of the covenant of league of nations alone left to the solemn referendum of the nation.

The fate of the French defensive treaty appears to diplomatic officials to have been completely forgotten.

WILL DISCUSS JUDICIAL SYSTEM

SPRINGFIELD, Ill., March 22.—Proposals for revising the judicial system of the state will be discussed before the Illinois constitutional convention tomorrow, by members from different parts of the state. The convention convened at 10 a. m., after an adjournment since last Thursday.

In addition to the lawyers who will address the convention many others will be in the city for the banquet of the state bar association tomorrow evening.

Governor Lowden will speak at the banquet.

William Jennings Bryan will address the convention Wednesday afternoon. Proponents of the initiative and referendum expect a part of his address to be devoted to this subject.

MINERS AND OFFICERS CLASH IN KENTUCKY

Middleboro, Ky., March 22.—A miner and a deputy sheriff are reported to have been killed, a private detective badly wounded and three others hurt in a clash between miners and mine guards said to have occurred late Saturday at the Banner Fork mines, in Harlan county, Ky.

But Taylor, a miner, is said to have been shot and killed by James Hall, a tective, when the former interfered during a quarrel between Hall and Taylor's son. Miners are reported to have shot and seriously wounded Hall after Taylor fell.

A pitched battle is alleged to have followed during which Deputy Sheriff Burkes of Harlan county was killed and three others hurt.

ALLEGED THEATER TAXES IS WITHHELD

Chicago, March 22.—Thousands of dollars collected under the amusement tax law by forty-eight Chicago motion picture theaters have been withheld from the government, George M. Murdoch, special investigator for the department of internal revenue, charged today. The alleged shortages were discovered by government agents, who have been checking the books of show houses for several months.

COMMISSION HEARS TESTIMONY ABOUT RAILROAD VALUES

Interstate Body Finds Ex-
ecutives and Employees Dif-
fer Widely in Views

WASHINGTON, March 22.—Railroad executives and employees differed widely before the interstate commerce commission today as to the methods of determining the valuation of the roads upon which an annual net return of 5 1/2 per cent is guaranteed for the next two years by the transportation act.

Congress has made it imperative that an immediate valuation of the roads be made. A. P. Thom, general counsel for the Association of Railroad Executives told the commission. Property investment accounts and material and supply accounts he declared to be the minimum conservative figures now susceptible to use.

Total Valuations.
Estimating at \$20,000,000,000 the total value of the properties, Mr. Thom declared that over-statement in the railroads' accounts filled with the commission would be more than offset by the rise in values in the past two years. He said the public was accustomed to use these accounts in making their investments and any reduction in them would upset the investment values.

Speaking for the railroad employees, Donald R. Richberg, representing Glenn E. Plumb, author of the Plumb plan for railroad ownership, said the interest of the employees in the valuation of the roads lay in assuring a return sufficient to provide operating expenses which could meet the reasonable wage requirements of the workers. He denied that congress intended an immediate valuation should be made and called the proposed investment account investment of "minor importance."

Fight for Control.
Factional fights are being waged by the Republicans and Democrats for control of the state organizations.

The faction of the Republican party which was in control at the state convention is headed by Governor Peter Norbeck, candidate for United States senator to succeed Ed. S. Johnson, who is not a candidate for re-election. Johnson is a Democrat. Judge Dick Haney of Huron, is Norbeck's opponent. U. S. G. Cherry of Sioux Falls and Tom Toubman of Plankton are the Democratic candidates. Heavy hailing tomorrow was forecast in some sections, while dispatches from several rural districts that bad roads might affect the voting.

RED DEPORTATIONS AGAIN PLANNED

Government to Send Big
Flour Shipment and Under-
sirable on Same Boats

New York, March 22.—Relief ships to be sent by the United States within the next month with flour for needy countries of Europe also are going to be soviet arks, according to information obtained from immigration officials today. More than four hundred Russians, Finns, and Poles from all parts of the country, who have been found to have advocated the use of violence to overthrow the government will be shipped on them in groups.

No repetition of the Buford's trip with an exclusive soviet cargo is planned, but shipping board vessels on which the United States Grain Corporation is to ship five million barrels of flour will be utilized as well as commercial vessels. Russians and Finns probably will be sent to Danzig. The deportees will include many list party raids in January as well as those arrested in the communists' march on Petrograd.

Members of the Federation of Union of Russian Workers, who arrived at Ellis Island too late to be deported on the Buford.

The movement toward concentration of Reds (a Ellis Island already has begun.

MINE OFFICIAL FLAYS GOVERNORS

FORT SMITH, Ark., March 22.—John Williamson, president of the United Mine Workers of America, District No. 21, addressing the annual district convention here today, castigated the governors of Arkansas and Oklahoma for their actions in the National Coal strike.

The strike was termed as "classical ignorance," and patent display of political spleen.

Resolutions introduced at today's session include one barring members of the American Legion from membership in the mine workers organization and charging that former service men are friendly to capital and are acting as strike breakers.

ARRANGE EXCHANGE OF LIBERTY BONDS

WASHINGTON, March 22.—The treasury has completed arrangements for the exchange of temporary liberty bonds issued during the loan campaigns, for bonds of permanent form with interest coupons to maturity attached, Secretary Houston announced today. Exchange of temporary third loan bonds began on March 15, all banks being authorized to make the transfers for the treasury. Within the next month officials expect to be ready to exchange permanent bonds for the bonds of other liberty loans except those which still have one interest coupon to come due.

MURPHY WITHDRAWS

Chicago, March 22.—Charles Webb Murphy, former owner of the Cubs today withdrew the injunction suit in which he sought to prevent the National League from making a schedule for the 1920 season until he had obtained an accounting with the Chicago club for money alleged to be due him.

Murphy filed the suit during the meeting of the league here several weeks ago, but hearing on the injunction was postponed. In the meantime the league published its schedule which had previously been prepared.

WEATHER INDICATIONS AND TEMPERATURES

Illinois:—Increasing cloudiness Tuesday followed by showers by night or Wednesday; fresh to strong southerly winds.

Detroit	56	60
Omaha	64	70
Minneapolis	60	68
Houston	32	49
San Francisco	54	56
Winnipeg	44	46

ALL EYES TURN TOWARD SOUTH DAKOTA PRIMARY

Voters Will Declare
Choice for Presidential
Nominations

ACTIVE CANVAS WILL END TODAY

SIOUX FALLS, S. D., March 22.—Two of the four candidates for Republican presidential endorsement at the South Dakota primary election tomorrow were among an army of political campaigners in action throughout the state tonight, urging men and women voters to go to the polls. The spirited "struggle of General Leonard Wood, Senator Hiram Johnson, Governor Frank O. Lowden and Senator Miles Poindexter, for Republican endorsement, eclipsed all other primary issues. South Dakota's ten delegates to the Republican national convention will be instructed to support the candidate receiving the primary plurality.

General Wood received endorsement from the majority faction of the state convention held at Pierre December 2. Lowden got the minority endorsement, while Johnson and Poindexter led as independents for support at the primary. The Democratic convention endorsed President Wilson for a third term.

James W. Gerard of New York was the minority choice and James O. Monroe of Maywood, Illinois, filed as an independent.

Fight for Control.
Factional fights are being waged by the Republicans and Democrats for control of the state organizations.

The faction of the Republican party which was in control at the state convention is headed by Governor Peter Norbeck, candidate for United States senator to succeed Ed. S. Johnson, who is not a candidate for re-election. Johnson is a Democrat. Judge Dick Haney of Huron, is Norbeck's opponent. U. S. G. Cherry of Sioux Falls and Tom Toubman of Plankton are the Democratic candidates. Heavy hailing tomorrow was forecast in some sections, while dispatches from several rural districts that bad roads might affect the voting.

FLAYS GOVERNORS

The strike was termed as "classical ignorance," and patent display of political spleen.

Resolutions introduced at today's session include one barring members of the American Legion from membership in the mine workers organization and charging that former service men are friendly to capital and are acting as strike breakers.

ARRANGE EXCHANGE OF LIBERTY BONDS

WASHINGTON, March 22.—The treasury has completed arrangements for the exchange of temporary liberty bonds issued during the loan campaigns, for bonds of permanent form with interest coupons to maturity attached, Secretary Houston announced today. Exchange of temporary third loan bonds began on March 15, all banks being authorized to make the transfers for the treasury. Within the next month officials expect to be ready to exchange permanent bonds for the bonds of other liberty loans except those which still have one interest coupon to come due.

MURPHY WITHDRAWS

Chicago, March 22.—Charles Webb Murphy, former owner of the Cubs today withdrew the injunction suit in which he sought to prevent the National League from making a schedule for the 1920 season until he had obtained an accounting with the Chicago club for money alleged to be due him.

Murphy filed the suit during the meeting of the league here several weeks ago, but hearing on the injunction was postponed. In the meantime the league published its schedule which had previously been prepared.

QUESTIONNAIRES FOR PRESIDENTIAL CANDIDATES

A good deal of opposition has developed to the questionnaire plan of committing presidential candidates to various policies. Men who seek the highest office in the land should, it is granted, be men of definite principles and ideals—men not afraid to talk about them. But if every organization seeks to have the candidates committed to the program that the organization happens to favor, the questionnaire plan will not only be monotonous but very soon wholly non-effective.

SUFFRAGE FOR FRENCH WOMEN

France is finally giving some attention to extending the franchise to women. The new republics that have arisen from the ruins of the monarchies of the old world have given women many

of the franchise privileges, but France where liberty, equality and fraternity are beacon lights, has not given women the recognition which their intelligence and devotion seem to warrant. The Frenchmen are gallant but never seemed to think their women en cared to vote. French women may have their opportunity shortly, however, as the new suffrage bill starts out with the backing of sixty-five Deputies.

THE DEBTS OF NATIONS

According to the latest information in the records of the Federal Reserve Board, the total debt of the principal nations engaged in the war is as follows:

Country	Total Debt United States (Gross)
Canada (Net)	\$25,668,389.000
United Kingdom	39,033,223.000
France	39,876,925.000
Italy	16,157,767.000
Austria-Hungary	25,731,619.000
Belgium	2,502,824.000
Germany	56,739,240.000
Of this \$23,820,000,000 is floating debt.	

THE NEWTON BATEMAN SCHOOL

There will certainly be general approval of the action of the board of education in naming the new high school building the Newton Bateman school. The city can take just pride in the fact that Newton Bateman spent so many years of his life here. While serving as superintendent of the county schools and later as a Jacksonville school system his work attracted wide notice and it was from this city that he went to the state de-

partment of education in Springfield.

He was an educator of great vision and with passing years respect for the methods he followed and the system he advocated has grown. Newton Bateman is one of our great names in Illinois history and Jacksonville honors herself in honoring his memory.

FAVOR MILITARY RANK FOR NURSES

Once again the Republican Congress has come to the aid of women.

Republicans in control of the House of Representatives have passed that section of the army reorganization bill which gives military rank to army nurses.

Organized groups of women all over the country, including the various state branches of the General Federation of Women's Clubs are backing this bill, which will give army rank to women who serve their country as nurses during time of war.

Having passed the federal suffrage amendment, the Republican party is intent on enacting all the laws which aid women, which have been held in abeyance by the Democrats for so long.

LIBERTY BOND VALUES

The comptroller of currency prophesies that Liberty bonds will be selling at par or higher before two years have rolled around. The comptroller hasn't been popular with bankers in the management of his office and isn't always accounted as a financial expert. In this instance, however, there is good reason for thinking that he speaks wisely and well. One reason for the slump in Liberty bonds has been the fact that so many holders have dumped them on the market. With the interest rate they guarantee and with government security behind them they represent the best investment ever offered. So the chances are that the comptroller is right.

The regrettable thing is that so many small holders of bonds who purchased them as a matter of patriotism in the effort to help their government, will sell while prices are below par and that the larger investors will later on receive the benefit.

HELP FOR PALMER

Statistics regarding the export market for food products indicate that let us its campaign to reduce the cost of living the Department of Justice will have aid from the foreign trade situation. It is reported that large quantities of food products, particularly pork products, have been shipped across the Atlantic and reshipped to the United States because the buyers in foreign countries were unable to pay for the goods at the high prices made necessary by the difference in monetary value. The high rate of exchange makes the American food products so high in cost as to be prohibitive.

With large quantities of food returned and with the export market largely curtailed, there should certainly be a reduction in the cost of such articles to the

people of the United States. With this condition of the market tending toward reduced prices of necessities of life, if the department does not succeed in its efforts to reduce the cost of living it will have failed in the face of every advantage in its favor.

Rippling Rhymes By Walt Mason

Still Higher.

It keeps us all deploring, lamenting, and the like; for prices still are soaring, each day they take a hike; I view the situation that now disturbs the nation, and in my agitation I breathe the name of Mike. A suit of wool, not shoddy, of handsome color, tenes, once clothed my shapely body, and cost me thirty bones; and it would hang together in every kind of weather; as trusty as the leather the village saddler owns. But now a suit of shoddy any time worn system feels; and it is punk and gaudy, and costs me eighty wheels; it shrinks when rain is reigning, it splits when I am straining and so I am complaining and raising frenzied spels. My shoes are made of paper, ledizened bright and smart, and when I waltz or caper the blamed things come apart to wear them is exhausting, and oh, the price of their're costing would put a layer of frosting upon the warmest heart. If things were worth the money, the prices, we might greet with smiles serene and sunny, and not with frozen feet; but goods are made by pickers, and prices set by pickers, and so I join the strikers and breathe the name of Pete.

Dr. Whitehouse, eye specialist, at Dr. Webster's office, Murrayville Illinois, Wednesday, March 24th. Office hours 8:00 a. m. to 8:00 p. m.

FRED FISHER STILL IN EVANGELISTIC WORK

Fred Fisher was in Jacksonville for a few hours yesterday. Mr. Fisher is remembered by many people here because of his connection with the Billy Sunday evangelistic party. He was the leader of the music.

More recently he has been associated with Mr. Handley in evangelistic work and was in Jacksonville three or four years ago. He left last night for Chicago and is soon again to engage with Mr. Handley in special evangelistic campaigns. Mr. Handley was in war work and was injured while overseas and has but recently recovered to such an extent that he is able to re-enter the work.

ZOELLNER QUARTET PLEASED AUDIENCE

Gave Program at Woman's College before Large Audience—Artists were Given Enthusiastic Greeting.

The Zoellner quartet appeared before a large audience in music hall at Illinois Woman's college Monday evening, as one of the numbers of Artists' course being given at the college.

The program was one of unusual excellence and the audience expressed frequent approval of the various numbers. The program:

Zoellner Quartet—Antonin Dvorak, First Violin; Antonin Dvorak, Second Violin; Joseph Zoellner, Sr., Viola; Joseph Zoellner, Jr., Violoncellist.
Quartette, O. Minor (Kochel 421)—Mozart, Allegro Moderato, Andante, Menuetto Allegretto, Allegretto ma non troppo.
Romantic Serenade, Op. 25—Jan Brandts Buys, Nocturne: Andante sostenuto, Alla Marcia: Adagio ma non troppo, Serenade: Allegro molto vivace, Schenker: Allegro molto, Nocturne: Sostenuto.
Quartette No. 2—Borodine, Allegro moderato, Scherzo Allegro, Nocturne Andante, Finale-Vivace.

We are showing all the correct styles in millinery at our usual low prices. The Carroll Millinery Parlors, 859 Routt St.

MRS. HELEN BROWN READ TO RETURN IN JUNE

Mrs. Helen Brown Read, who has been making an extended stay on the coast, is to return to Jacksonville early in June. In California Mrs. Read has conducted two studios with great success and has been in frequent demand in concert work. For a number of months as soloist she has appeared each Sunday at the First Church of Christ Scientist, of Long Beach, one of the wealthiest churches in Los Angeles.

TOOL GRINDING DEMONSTRATION
Now at Hall Bros., South Main St., is attracting attention. Pocket knives, scissors, etc., sharpened free.

SPECIAL SERVICES

Rev. L. E. Laswell, of Greenville will conduct pre-Easter service at Westminster church tonight. This will be the first of a series of services which the pastor, Rev. E. P. Landis, has arranged. Rev. Mr. Laswell spoke at Northminster church Monday night. Today Rev. Mr. Harries of Petersburg and Rev. Max Wiles, of Virginia, are expected in the city to assist in the special services at the local Presbyterian churches.

Sale of Easter Millinery and special display of the new fashions in our Coat, Suit, and Dress Section, on Monday and Tuesday this week.

F. J. WADDELL & CO.

FIRE MONDAY EARLY

At 3:30 o'clock Monday morning the fire department was called to the Ayers Block, West State street. Cinders had been piled against some boards in the basement under the Western Union Telegraph office. The boards were set afire but no damage resulted aside from a great deal of smoke. The building is owned by William Kitner.

WANTED
Girls over sixteen for wrapping butter and candling eggs; light work, good pay. Apply Supt. Swift & Co.

CARD OF THANKS.
We desire to thank our friends and neighbors for their many kindnesses during the illness and after the death of our baby daughter; also for the beautiful flowers sent. The sympathy shown will never be forgotten.
Mr. and Mrs. Carl Anderson and Children.

WILL PRESENT FRENCH MEMORIAL DIPLOMAS

Nearest Relatives of Deceased Soldiers to Receive Diplomas at Opera House Meeting Next Sunday Afternoon—American Legion Announces Program.

Post No. 279 of the American Legion has arranged for a service at the opera house next Sunday afternoon, when French memorial diplomas will be presented to the nearest relatives of soldiers who died in the war. The program was made public Monday by Commander Richard Y. Rowe. The service will be at 3 o'clock and relatives of deceased soldiers are asked to notify Commander Rowe or Adjutant Allen Jacobs the number of seats desired for the service as reservations will be made for them. These officers can be reached by phone or addressed by mail, care of the American Legion.

The committee in charge of the program includes W. T. Harmon, chairman; Rev. W. H. Marbach, Virgil Edwards and Dr. W. H. Weirich.

In addition to the general program a pageant will be given emphasizing the attitude of the French people toward the U. S. Ex-service men are requested to be present and each wear a white carnation. In addition members of the Legion will be expected to wear the Legion pin.

The program will be as follows: Selection by the orchestra.

Address—R. Y. Rowe, commander of Jacksonville post, American Legion.

Prayer—Rev. W. H. Marbach.

Address—Mayor E. E. Crabtree.

Orchestra.

"France in Battle-Flame" (Edwin Markham)—William Scott.

Address—Rev. Arthur Ewert.

Song, "The Americans Come," by Ray Foster, words by Elizabeth A. Wilbur—Miss Rebecca Scheibel.

Pageant.

Ushers are to appear in full uniform and will be as follows: Louis Cain, head usher; Allen Stewart, R. B. McConnell, Siddons Armstrong, Dawson Cowgour, James Barnes, Lloyd Wells, Fred Johnson, Harold Bartlett.

HAS EXTENSIVE FARMING OPERATIONS THIS YEAR

Charles H. Story, who purchased the Kitter farm on the Vandalia road, will have about 200 acres in corn this year. Forty acres will be planted in oats with clover and 40 acres in grass. Mr. Story is now making daily trips to the farm but is compelled to go on foot from Nichols park. The water is so far up on either side of the roadway there that only a foot path is left.

FOR SALE

Five span of three year old mare mules—extra good. Sam Challiner, Joy Prairie, Ill. phone 5225.

THEFT OF TRUNK IS REPORTED TO POLICE

Mr. and Mrs. F. M. Coard have reported to the police the loss of a trunk containing clothing to the value of about \$300. The articles taken were the property of Mrs. Alice Richardson, who has a room at the Coard home, but who had been out of the city. When Mrs. Richardson returned after spending a number of days with a sick relative, she found that her room had been entered and the trunk and its contents taken. The police have a clue which may lead to the arrest of the robbers.

Itching, Scratching, Skin Diseases

That Burn Like Glames of Fire
Here is a Sensible Treatment That Gets Prompt Results

For real, downright, harassing discomfort, very few disorders can approach so-called skin diseases, such as eczema, tetter, boils, eruptions, scaly irritations and similar skin troubles, notwithstanding the lavish use of salves, lotions, washes, and other treatment applied externally to the irritated parts.

No one ever heard of a person being afflicted with any form of skin disease whose blood was in good condition. Therefore, it is but logical to conclude that the proper method of treatment for pimples, blotches, sores, boils,

rough, red and scaly skin, is to purify the blood and remove the tiny germs of pollution that break through and manifest their presence on the surface of the skin.

People in all parts of the country have written us how they were completely rid of every trace of these disorders by the use of S. S. S., the matchless, purely vegetable, blood purifier. S. S. S. goes direct to the center of the blood supply, and purifies and cleanses it of every vestige of foreign matter, giving a clear and ruddy complexion that indicates perfect health. Write today for free medical advice regarding your case. Address Swift Specific Co., 413 Swift Laboratory, Atlanta, Ga.

Rheumatism Vanished

Centralia man suffered a long time from rheumatism. Natski Blood Purifier was recommended to him and produced wonderful results. His statement should be read by all rheumatic sufferers:

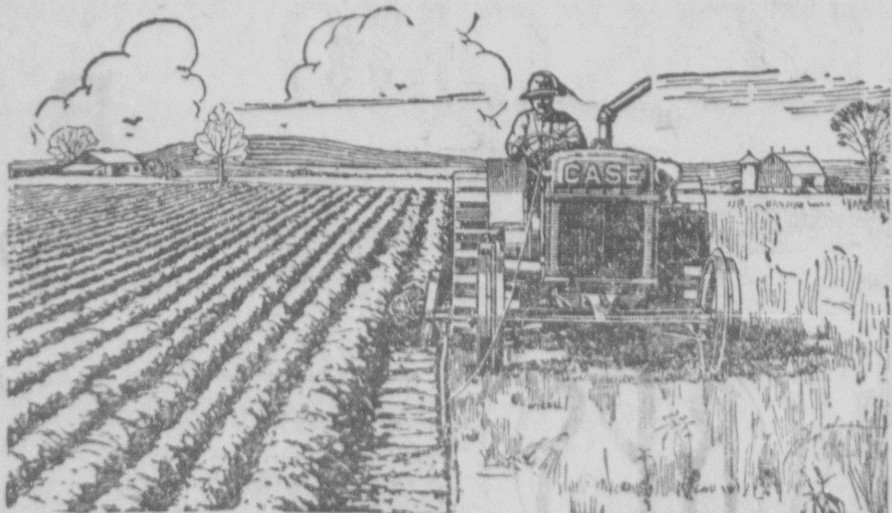

FOR RHEUMATISM

I was laid up with rheumatism from May, 1918 to January, 1919. Could not be on my feet for the most of the time. From September to January I was past going at all. I tried many different kinds of medicine and other treatments all the time. Natski was recommended to me and I gave this medicine a trial. Three bottles put me on my feet again, and I have been working every day since. I can recommend Natski to be a splendid medicine for a sufferer of rheumatism, especially in the feet, legs and arms, if taken according to direction.

SOLDIERS TO STAGE CIRCUS AT LOUISVILLE

Men of Famous First Division to Stage Circus Originally Produced in Germany—Will Tour Other States.

Louisville, Ky., March 21.—The famous first division, U. S. A., will stage a circus in Louisville the first week of July on the same pretentious scale that characterized its original production in Montebaur, Germany, in 1919, while the division was a part of the American Army of Occupation.

Lieut. Col. Harvourt Hervey, and a committee of seven army officers are rounding out plans for the reproduction at Camp Zachary Taylor, in which more than 200 soldiers of the division will take part. Lieut. Col. Hervey directed the show during performances in Germany, before the American forces and also before the British and French armies.

The circus, as it will be given here, will be similar to the original production. In Germany, the performances were featured by American Wild Western scenes depicting cabaret life, riding of bucking bronchos by cow boys and girls, stage coach and train holdups and Indian fights. There were scenes also in which Roman knights in chariots drawn by speedy horses fought duels with swords.

of twins known as Before, the hairless; and After, the human gorilla; the tattooed man and the bearded lady were side attractions, as was a monkey drill by forty mounted men.

Carl Hagenbach, American Circus proprietor, once offered to take the First Division show over Europe and then bring it to American cities but the soldier-actors would not be spared by the army. Commanders of all the American divisions and staff officers viewed the performances in Germany. It was also seen by French and British officers and Norman Harwood, American ambassador to Denmark.

At the show next July at Camp Taylor, seating arrangements for more than 10,000 spectators have been planned. After this performance plans call for a tour in other states, but an itinerary has not yet been announced.

FLAT DWELLERS FIGHT PROFITEERS

Chicagoans Forming Unions to Investigate the 100 and 200 Percent Increases in Rents.

Chicago, March 22.—While Chicago's flat dwellers are forming unions to fight alleged rent profiteers and council committees are investigating 100 and 200 percent increases in rents, several hundred families are living here in comfort and paying rents averaging \$1 per month.

The families who apparently have solved one big problem in the high cost of living are the owners of the houseboats which dot the various branches of the Chicago river, the Calumet river and the lakes of the South Chicago district.

Land owners usually charge the houseboaters \$1 a month for mooring privileges. If the scenery becomes monotonous or the neighbors undesirable the colonists need only crank up the gasoline "Bivver" boat attached to most of the house boats and be towed away to new pastures.

When the colonists find a satisfactory location and settle down for a stay of any length they usually install all the modern improvements, including city water, electric lights and a telephone. Some of the boats have their own electric lighting plants.

A large colony of the boats wintered this year in the vicinity of Western avenue and Belmont avenue bridges on the north branch of the Chicago river. Their colony was presided over by Captain Streeter, one time commander of the "deestrick of Lake Michigan," who for years maintained squatter's rights over a portion of the Chicago water front.

A typical boat in this colony has five rooms—parlor, dining room, kitchen and two bedrooms—all finished in white pine and comfortably furnished. The boat costs \$1,000. The owner with permission of the land owner from whom he rents his mooring site, has installed a chicken run on the bank, and in the summer time has a vegetable plot.

Housekeepers of the year around is not undesirable, the colonists say. The five room boat is heated with three stoves and uses about one and a half tons of coal a month.

AUSTRIANS SEEK TO SAIL UNDER U. S. FLAG

Austrian Mariners seek Employment in U. S. Merchant Marine—Many Belong to Upper Stratum of Society.

GALVESTON, Tex., March 22.—Thousands of Austrian mariners, prevented under the terms of the treaty of Versailles from sailing under their own flag, are seeking employment in the United States merchant marine, according to Captain O. J. Christensen, in charge of the Shipping Board's sea service bureau. The captain received a letter from the Austrian consul-general at Hamburg, stating that the plight of the Austrian seamen is deplorable.

Former officers of the imperial Austrian navy, skilled electricians, expert machinists, telegraph operators, engineers and assistants, the letter says, are among those who are anxious to sail under the American flag.

The men seeking employment in this country, the letter states, "are seafarers heart and soul, but owing to the fact that their country no longer possesses egress to the sea 'never can hope to again practice their beloved profession under the flag of their own country.'"

Hundreds of the applicants for positions, according to the consul-general's letters, are of the upper stratum of society, speak several foreign languages and are otherwise qualified to hold responsible positions in the merchant marine.

Herman's Opening Display today. Everybody welcome.

EUROPE FACING DIFFICULT SITUATION

Rome, March 22.—(Havas.)—Premier Nitti outlining to the chamber of deputies today the policy of the new cabinet declared that all the European countries were facing an extremely difficult situation and were threatened with famine unless peace should quickly be re-established. The premier said that more than 300,000 workers do not produce the necessities of life. Russia, which should furnish raw materials, and Germany with its great numbers of workmen, were producing hardly anything.

Europe, according to Signor Nitti could only recover its balance by recognizing Russia and Germany and the nations unite in sympathy and clemency for the vanquished.

ACCEPT HOCKEY ENTRY FOR OLYMPIC GAMES

New York, March 22.—Acceptance of the United States hockey team entry for the Olympic games was announced in a cable today to the American Olympic committee from Antwerp. Following receipt of the cable the committee stated the team would sail April 7 or 10 and would arrive in time for several days' practice before the contest.

TENNIS MATCHES CLOSE

Berkeley, Calif., March 22.—Matches in the east versus the west women's tennis competition were tied at two-all here today as the result of the victory of Miss Eleanor Goss of New York over Mrs. Ethel Sutton Bruce, of Los Angeles in the most closely contested of any of the four matches played thus far. The score was 6-8, 6-5, 6-4.

ANDERSON MUST APPEAR BEFORE NEW YORK SOLONS

Albany, N. Y., March 22.—The New York state assembly by a resolute vote will compel William H. Anderson to appear before the assembly judiciary committee to explain the foundation of his statements, utterances, and publications alleged to have been made by him against members of the legislature.

WILL ATTEND D. A. R. CONFERENCE

Mr. and Mrs. Roy Heaton, of Lynville, were callers in the city yesterday.

Benjamin DeSilva, is here from Houston, Texas, for a visit with his parents Mr. and Mrs. Joseph DeSilva on West Lafayette avenue.

GAS COMPANY FILES REHEARING PETITION

The petition for rehearing in the case of the Springfield Gas Electric company against the city of Springfield has been filed in the office of Clerk Charles W. Wall of the state supreme court. The case involves the right of the state utilities commission to control municipally owned utilities. In a decision handed down in February, the courts held that the commission has no jurisdiction. In the voluminous petition filed, attorneys for the Springfield Gas and Electric company demand that the section which exempts municipally controlled utilities from control of the commission is invalid. The petition for rehearing will be passed upon at the April session of court.

JAPAN'S TRADING WITH CHINA DWINDLES

SAN FRANCISCO—Japan has lost 90 percent of her trade with China since the imposition of the boycott on Japanese goods last May, according to Mohan T. Y. Zi, of Shanghai, delegate of the Chinese General Chamber of Commerce to the national foreign trade convention to be held here in May.

Commissioner Zi, a member of one of the greatest importing and exporting houses in China, is making a tour of leading American cities, and will return here in time for the convention.

Speaking of Japan's loss of the trade it had built up with China

during the war, reaching a volume of hundreds of millions of dollars, Commissioner Zi told of the opportunities offered to Americans.

"As a condition precedent to this great trade opportunity for America in China, the primary considerations are better cable facilities and more ships," he said. "American cotton exports to China up to the time when this country entered the war, approximated \$100,000,000. The great bulk of this trade, immediately upon your exports stopping, was secured by Japan, which obtaining the raw product from China, manufactured the cotton and sent the finished product back for Chinese markets.

"Since the boycott, due to the Shantung situation, this great cotton market has been left practically open, and one of my chief missions to this country is to establish connections with the big cotton exporters. China is urgently in need of materials of hardware and of electrical equipment. In the latter line Japanese products again are suffering from the boycott and the field is wide open.

"While to the outside world the trouble between Northern and Southern China seems important, it has no great bearing on the mercantile and industrial life of China. These factional differences are the product of political groups seeking power.

"The automobile industry is capable of tremendous development, as the Chinese are very partial to American motors of

STATUE OF COLUMBUS FOR BUENOS AIRES

Will Rival America's Statue of Liberty—Italian Sculptor Has Work Almost Finished—Will Be 100 Feet High

Buenos Aires—As voyagers entering the harbor of the greatest city of North America behold the majestic Statue of Liberty, so within the present year those coming to the greatest city of South America will behold a majestic sentinel, a towering statue of Christopher Columbus.

The monument of the great navigator will not, like the Liberty statue in New York, stand in the harbor, but will rise nearly 100 hundred feet in height from a point near the water's edge. The site selected is in the broad Paseo Colon, in front of the Government House, whence the statue will overlook the beautiful Plaza Colon and the wide expanse of the River Plate as it enters the ocean.

Representing 10 years' labor of the sculptor, Arnaldo Zocchi, appropriately a native of the country in which the discoverer of America was born, the monument soon will be shipped from the artist's workshop in Rome to Buenos Aires, according to recent advices. The image of the navigator is itself 22 feet high carved out of a single block of marble. It will therefore have to be brought over in one piece.

Critics who have visited the sculptor's workshop recently and seen the work virtually completed write that, for symbolic beauty and grandeur of proportions, the monument will be one of the most impressive in the world.

"The column supporting the statue of the navigator is placed upon an ample socle covered with sculptured scenes and figures," says a Rome correspondent of La Razon. "The front part of the socle is the bow of a Latin ship about to be launched into the sea by four youths with naked torsos bent with effort. The scene represents the start of the caravels of Columbus from the port of Palos, Spain.

"High up on the bow of the vessel is the figure of Civilization. In the toga of a Roman matron, she extends with naked arm the torch which illumines the new lands and toward which a youth besides her—Genius—gazes with inspired countenance.

"From this base rises the pedestal, slender as the tower of a light-house, and on its summit, straight and upstanding, in his hands a navigation chart half unfolded, towers above all the yet youthful figure of Christopher Columbus.

OLD SLAVE MARKET TO BE MOVIE THEATER Nashville, Tenn., Feb.—The old building in Cedar street here, in ante bellum days one of the largest slave markets in Tennessee, and in later years the site of one of the South's most widely known saloons and gambling houses, is to be converted into a moving picture theater for negroes. It has been purchased by a wealthy negro real estate dealer, who as a boy was employed as "hook-out" for the gambling house on Sundays to give warning of impending raids by the police.

Santiago, Chile.—Chile's deficit for the fiscal year ended December 31 aggregates \$15,000,000, according to a statement by the finance minister, Guillermo Subercaseaux. This is attributed to the great decline last year in exportation of nitrate owing to the transportation difficulties and other causes. Chile expected to export in 1919 2,500,000 tons of nitrate but actually shipped only 900,000 tons.

EXTENSIVE MARKET FOR U. S. SHOES

London.—There is a very extensive market in Europe for American shoes, particularly on the continent, according to the American shoes, particularly on in London.

The chamber has been advised by investigators in that line of business, that American manufacturers can make large sales in these countries provided they make up the shoes, according to European styles. Although there is some talk to the contrary, the Continental European public in general does not care for the American and English style of narrow toes and long vamp shoes. On the other hand, the American conservative models are said to be excellent sellers.

The difficulties with regard to exchange and transportation are to be considered, but are not a real obstacle.

The sales policy recommended to American manufacturers is to place an agent in each country or group of countries that could be covered by a single agent. Emphasis is laid on the need for steady supplies and a definite amount of stock should be required to be carried at all times, this stock to be selected by the agent. Payment could be made by letters of credit and the agent should be given two or three months or longer to pay for the goods, thus permitting him to select the most advantageous date of payment with regard to the rate of exchange.

The comment is made, says the chamber, that European traders in general have lost their confidence in the promises of American exporters, and that the only way American shoe exporters can develop a lasting market in foreign countries is to become importers of shoes into these countries either direct or indirect. In other words they must set up their own organizations which they know will carry out the service traditions of their business or else work through a properly qualified agent who will build up their reputation in that country.

SHANGHAI HAS A SAFETY FIRST CLUB

Shanghai—Shanghai has what is called "safety first club," the single aim of which is to prevent the introduction of disease into foreign households through servants. The organization is an outgrowth of activities of St. Luke's hospital and it was formed for fixed fees, to have their Chinese servants examined at the hospital periodically.

The need of such an institution in Shanghai is appreciated when it is remembered that the 20,000 or more foreigners domiciled in a city of more than 2,000,000 which has no sewers and in which none of the ordinary safeguards to preserve the public health exist. Wages are exceedingly low in comparison with Occidental standards and range from \$6, Mexican, a month for the coolie house boy up to probably \$15, Mexican, a month for the cook. It is a modest establishment that has two or more native domestic workers.

Leprosy in advanced stages is to be met with in Shanghai's streets, particularly in the Chinese city, tuberculosis claims 15 per cent of the Chinese who die every year, trachoma is common, typhoid and para-typhoid are ever present, the social diseases are most wide spread.

The foreigner has sought to safeguard his health by following the common practice of engaging his physician by the year, under contract, and by other means. Yet it is felt that the door of the foreign household has been left open to infection by ignoring the condition of servants who are recruited from all quarters of the community and who for the most part come from outside the limits of the international settlement that forms the heart of the city. It is to deal with this source of danger that the safety first club was formed.

INSANE PATIENTS ON STRIKE IN HONOLULU

Honolulu, Feb.—Patients at the territorial hospital for the insane, who have been working in the tailor shop making clothes for themselves and the other patients, have gone on strike and have refused to put in another stitch unless they are paid for their labor. This is the statement of Dr. F. E. Trotter, president of the board of health. The board is considering employing outside help to do the hospital sewing abandoned by the inmates, Dr. Trotter said.

When You Know

you have a heart, it is time to watch your stomach. Palpitation and other signs of "heart trouble" usually mean—indigestion, produced by food poisons that irritate every part of the body—heart included.

The Good Old Spring Medicine

New blood—pure blood, rich in color and full of red corpuscles, an increased circulation—the system thoroughly cleansed of impurities and invigorated.

That's what you need this spring—free yourself from the conditions arising from an indoor life—gather renewed energy and vigor for the coming summer months.

A Bottle of

Nyal's Spring Sarsaparilla

will make you feel like new

Cleanses the blood and makes it nourish the system—stimulates the liver, kidneys and bladder and assists them in their functions.

It will rouse your energy to top notch, brighten the eyes, clear the brain and give you that springy step accompanying perfect health—you will feel it too.

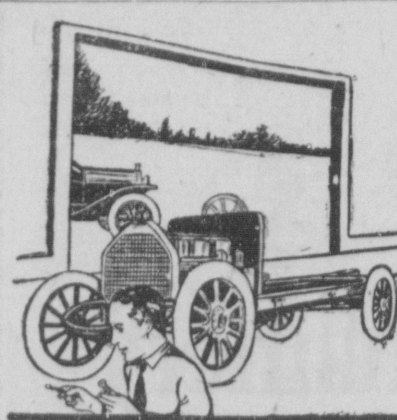

You won't enjoy the summer—your work will hang—in fact everything will be unpleasant unless the whole system is cleansed and placed on a new basis.

Nyal's Spring Sarsaparilla will do it—and we never heard of a case where it failed to do as we say.

All this for \$1.00—100 full doses to the bottle.

LUCAS FUNERAL HELD AT MANCHESTER

Impressive Services for Prominent Resident Took Place Friday Afternoon — News Notes From Manchester and Vicinity.

Manchester, March 22.—Funeral services for Mrs. G. N. Lucas, whose death occurred Wednesday at a Jacksonville hospital, were conducted at the Baptist church Friday afternoon at 2 o'clock. Rev. Fred Pelk officiating. Music was furnished by a choir composed of Mrs. E. O. Hess, Mrs. J. H. Langdon, Mrs. William Arendell, E. L. Maine and M. W. Story. A collection of appropriate songs were beautifully rendered. The sons of the deceased, Frank B., and Edurle A. Lucas and nephews, Earl Blackburn, Walter Shewmaker, Frank and Lonnie Day, served as bearers. The floral offerings were many and beautiful and were

cared for by Mrs. Frank B. Lucas, Mrs. Frank Day, Mrs. Amy Livingston, Mrs. Ethel Bacon, Misses Ruth Blackburn, Leta Day and Mable Blackburn.

The remains were laid to rest in Manchester cemetery. Those attending the funeral from a distance were: Mr. and Mrs. Frank B. Lucas, of Chicago; Mr. and Mrs. Edwin B. Lucas, of Philadelphia, Pa.; Mrs. Larkin, Mrs. Amy Livingston and Edward Blackburn of Elgin; Mrs. Henrietta Darr of Carrollton; Mrs. William Kirkpatrick and Mr. and Mrs. Frank Day of Alsey.

Miss Opal Roe, accompanied by her mother, Mrs. F. C. Roe, went to Springfield Saturday where she will submit to an operation for removal of tonsils.

Mrs. Alice Wallis went to White Hall Saturday for a brief visit at the home of her sister, Mrs. W. S. Strang. Mrs. Mary Marshall of Murrayville is visiting her daughter, Mrs. L. A. Mehrhoff. James Livingston and son have returned to their home in Springfield after a visit with Mrs. Sarah Travis.

A number of high school pupils took the teachers examination in Jacksonville Thursday and Friday.

NOTICE TO TAXPAYERS

The tax books are now in the collector's office and is a judgment against all parties mentioned therein. Parties paying on personal tax only, should pay the same promptly and avoid trouble and expense in collecting same. The judgment reads as follows: In case any person named in said books shall neglect or refuse to pay their personal tax, you shall levy the same by distress and sale of goods and chattels of such person. Parties paying on real estate should bring their old tax receipts to save time and avoid mistakes. If paying thru the banks, leave your old receipts with your bank as soon as possible.

C. C. Berryman has recently sold to J. H. Clement 160 acres of land located two miles south of Nortonville. He also sold to G. E. McNeeley a 70 acres tract in the same locality. Both of these sales were made by C. A. Boruff.

Herman's Opening Display today. Everybody welcome.

TENTEN VESPER RECITAL

The auditorium at the Woman's College was well filled on Sunday afternoon to hear the last of the Vesper recitals arranged by Mr. Pearson.

The program was well chosen and well rendered. Those who were present were enthusiastic in their appreciation and regretted that this recital closed the series. The first part of the program offered strong contrasts and pleased particularly. Mr. Pearson chose well in his offsetting of one number with another to secure balance. The second part of the program was an ensemble number, played by Miss Moore, Miss Ray and Mr. Pearson. The masterly treatment of a noble impressive theme, as shown in the work of the great French composer, was most satisfying.

The third group consisted of three organ numbers presenting Easterlike concepts of the composers whose works were presented. Such a program brings nearer than many think, the spirit of the great festivals of the Christian church. They augment the service rendered by the pulpit.

The program was presented in full in Sunday morning's paper.

Hospitaller Commandery No. 31, K. T., will hold a special convocation this evening at seven o'clock. WORK. Visiting Knights welcome.

FUNERAL SERVICES OF WINCHESTER RESIDENT

Late Peter Dugan laid to Rest with Impressive Services—Young People Entertained at Gunn Home—Other News Notes.

Winchester, March 22.—Funeral services for the late Peter Dugan, were held Monday morning at 9 o'clock at St. Mary's Catholic church. A large number of relatives and friends were in attendance and Rev. Father T. S. Bell officiated. The music for the occasion was furnished by the choir of the church.

Interment was in the Catholic cemetery east of Winchester and the bearers were T. B. Ryan, Thomas Dugan, Harry Dugan, Joseph Murphy, Warren Kelly, Richard Ryan.

Among those here to attend the funeral were Frank Dufan, James Dugan and wife, Charles Dugan and wife, all of Beardstown; William Dugan, Terre Haute, Ind.

Miss Madeline Hainsfurther arrived Sunday morning from Chicago to spend the Easter vacation with her parents, Mr. and Mrs. David Hainsfurther.

Charles Dugan and wife returned Monday noon to their home in Beardstown, after attending the funeral of Peter Dugan here.

Frank Switzer, returned Monday evening from Beardstown, where he spent Sunday with his mother.

Mildred and Cowell Gunn, entertained about 40 of their school friends at a party Friday evening at their home in the east part of town. Games and contests were enjoyed and at a late hour refreshments were served. Everyone present thoroughly enjoyed the evening.

Gus Strouse, returned Saturday from a visit with relatives and friends at Terre Haute, Ind., and at other points.

Mr. and Mrs. Boone Martin, were Jacksonville visitors Monday.

Miss Bertha Miner returned home Sunday afternoon from Jacksonville, where she has been at Our Savior's hospital. Her many friends will be glad to know that she is much improved.

Rev. W. R. Johnson, of Jacksonville, was calling on friends here Monday morning and also looking after some business interests.

Rev. H. D. Trickey filled the pulpit at his home town of Argenta Sunday.

If you are open-minded and willing to let us come out and demonstrate the **WALLIS TRACTOR** on your farm, just call us either phone. We **KNOW** we have the best tractor made and, for your own good, want you to know it. **REEVE & CURTISS**, Offices in Jacksonville, Waverly and Springfield.

REV. MR. AUGUSTINE HEARD AT WESTMINSTER

Rev. R. H. M. Augustine, who is the state supervisor for the work of the Inter Church world movement, occupied the pulpit at Westminster church Sunday morning. Rev. Mr. Augustine made only brief reference to the inter church movement at this service. He preached a very strong sermon on the character of Nathaniel. It was a sermon that by inference gave some thought to the present day tendency of the church and the large possibilities that await the churches thru re-organized and co-operative effort.

Mr. Augustine's sermon also breathed a definite optimism and those in his audience could not but feel that this minister earnestly believes that the world is growing better. He believes too that the church faces large responsibilities these days and greater opportunity than ever before for accomplishing those things that are worth while.

Herman's Opening Display today. Everybody welcome.

MEETING PROGRESS AT GRACE M. E. CHURCH

Rev. T. H. Tell Delivers Strong Sermons at Revival Series Now Being Conducted—Rev. Thos. Smith Heard Sunday Night.

There was a good attendance at the revival service at Grace church Monday night and the interest in the meetings is growing from day to day. The pastor, Rev. T. H. Tell, delivered a strong sermon from the text: "Let us come boldly to the throne of grace, that we may find help in time of need." The minister emphasized the thought that the present is a time of need for the church and the pastor, as well as for the unawakened sinner. The throne of grace was pointed out as the source of power which never fails no matter what the need.

There will be services at the church every evening this week except Saturday. A prayer service will be held each evening at 7 o'clock preceding the regular song service. At noon today a special midday service will be held. This service is for everyone but business men are especially invited to come for a part or all of the time.

The services Sunday were of a very helpful kind. At the Sunday morning service the pastor took as his theme: "An appeal to the Fathers." At the close of the sermon a large portion of the congregation rededicated their lives to the work of the kingdom of God. Sunday night Rev. Thomas Smith filled the pulpit. His theme was: "The exaltation of Christ in Christian Education." The discourse was a strong and timely one and was heard by a large audience.

What Car Rivals the Hudson Super-Six?

What can any fine car give that compensates for lack of the Super-Six motor?

It is exclusive in Hudson. For five years it has meant unquestioned supremacy in acceleration, hill climbing, road and speedway contest. But, more important, it reduces vibration almost to nil and so checks the most destructive force automobiles must contend with. This assures dependable everyday transportation and long life in the car.

And Hudson also is supreme in design. It created models now standard with all fine cars. Men and women of good taste always turn first to Hudson for beauty, distinction, power, speed, reliability and endurance.

More than 30,000 Hudsons have been sold. The demand far exceeds production. Unless you order now you may be disappointed in delivery.

WHEAT CONDITION SHOWS IMPROVEMENT

Farmers report that the condition of the wheat crop is better than was anticipated would be the case two months ago. The wheat came thru the winter season in good condition except that there has not been a satisfactory amount of moisture. However, the recent rains have helped the plants a great deal and some fields that showed little signs of life are now green with the living plants. Unless there is some trouble from insects later on, it is very probable that harvest time will show a satisfactory return.

ELKS JOLLIES BEGIN REHEARSALS

C. E. Hamilton of New York, one of the directors of the Joe Bren Producing Co., arrived yesterday and immediately plunged into the work of rehearsing for the Elks Jollies of 1920. Mr. Hamilton has been here on a previous occasion, and was delighted with the cast presented to him. He states positively the production will this year surpass anything that has ever been given by a local company. He thinks Jacksonville a wonderful little city and says it looks better than ever before.

SUIT FOR DIVORCE

A suit for divorce was filed yesterday by Carl E. Robinson for Irvin Mann, who seeks a decree of divorce from his wife, Myrtle Mann, on the ground of desertion. They were married in December, 1914 and the complainant alleges that his wife left his home in the following month and has since not returned.

COUNCIL CONSIDERS SEVERAL ORDINANCES

Gives Traffic Ordinance First Reading — Passes Ordinance Accepting Trust Deed for Reservoir Land — Other Matters Considered.

At the regular meeting held Monday evening the city council gave the new traffic ordinance its first reading. It is a voluminous document and covers every kind of traffic in detail.

The council also adopted an ordinance providing for the acceptance of a trust deed from J. W. Walton, trustee for the land covered by the new reservoir. An ordinance providing for a watchman at the North Main street crossing of the Wabash railway.

Many other matters were considered. Mayor Crabtree also told the council something about his trip to Oklahoma.

The Proceedings.

The roll call showed all members present except Ald. Williamson. Mayor Crabtree presiding. The minutes of the last regular meeting were read and approved.

A petition protesting against the laying of sidewalks on Beesley avenue was read and received and placed on file. H. C. White, O. C. Crabtree and J. W. Baptist property owners on the street, were present and said they wanted the walks.

S. G. Chumlev, contractor for the new Zahn garage was granted permission to tap the sewer in East North street for the new building.

A communication from R. W. Woolston, managing officer for the State School for the Blind, relative to the proposed walk along the east side of the institution in Brown street was read and placed on file.

Property owners from North Church street were present and asked the council to take steps toward having a walk built in front of the property of Mrs. McEvers on that street. The engineer was instructed to see if there was an ordinance covering the walk and if not to draft one.

On motion of Ald. Ehnle, seconded by Ald. Chapin, the county commissioners were requested to close the Vandalla road and the Woods lane, until the proper improvements are made on the roads.

Resolution for C. B. Graff.

The following resolution was presented by Ald. Moore relative to the death of Ald. Charles B. Graff:

Resolution.

Resolved, by the members of the city council of Jacksonville, that we have most sincere regret because of the death of Charles B. Graff, a member of this council. Since his election one year ago, Mr. Graff has given unsparingly of his time for the betterment of Jacksonville. His knowledge of business and of men has been of value to us as his associates, and we have recognized in him an official desiring to give efficient public service.

Alderman Graff was a man of most generous impulses. He was genial by nature, a companionable man, and as members of this council we can bear witness to the fact that he has been a earnest and zealous co-worker. His spirit was such that he readily conceded the rights of others, and we have learned to admire his judgment and tact.

In this time of sorrow we extend our most sincere sympathy to the members of his family.

Resolved, that these resolutions be made a part of the city council records and that a page of those records be devoted to the memory of Ald. Graff, an able public official, our co-worker and friend.

E. E. Crabtree, Mayor, R. L. Pyatt, City Clerk, Geo. W. Davis, acting city clerk.

Geo. A. Moore, Thos. Flynn, Michael McGinnis, A. E. Williamson, John D. Cain, C. F. Ehnle, T. A. Chapin.

On motion of Ald. Cain seconded by Ald. McGinnis the resolution was adopted by a rising vote.

Ordinances Given First Reading

Ordinances providing for a watchman at the North Main street crossing of the Wabash railway and for the regulation of traffic were given first readings and laid over the rules.

An ordinance providing for the acceptance of the trust deed to the reservoir land and making provisions for the payment of principal and interest to the donors was read. The ordinance carried an emergency clause which was adopted. The ordinance also was adopted.

Minor Matters.

Communications from M. C. Hook and C. H. Ward relative to insurance on the fire trucks and also insurance on the firemen were read and action deferred until some future time.

E. J. Staley asked if some action could be taken toward getting a sidewalk in East Michigan avenue. The matter was referred to the Third Ward aldermen to investigate and report.

J. P. LesStange, a representative of the Barber Asphalt company told the council of the progress he is making in getting signatures for the paving of College avenue with asphalt.

Ald. Flynn suggested that it would be a good plan for the mayor to appoint an industrial committee from the various trades unions to co-operate with the council in securing new industries.

Ald. Flynn with a second by Ald. McGinnis moved that the mayor investigate the matter and see if the unions wished such a committee. The motion carried.

East State Street Paving.

company's car tracks around the square and along West State street.

The matter of fees for opening paved streets for sewer and water was also taken up. This was referred to the engineer and superintendent of streets to investigate and make recommendations to the council at the next meeting.

Ald. Moore reported that the Burlington had blocked the East State street crossing for two hours on Monday. The city clerk was instructed to call the attention of the trainmaster to this matter.

Mayor Crabtree gave the aldermen a statement of the expenses of the city for the year of 1919 and also an estimate of the expenditures for 1920 and the approximate amount of revenue that would be received. The mayor also told in an interesting manner of his visit to Oklahoma and of the things he saw down there.

No further business appearing the council on motion adjourned.

Deaths

Daniels.

Roy Daniels died at 11:20 o'clock yesterday at Passavant hospital after a two weeks illness. He was born June 20, 1903 at Literberry, but moved to Jacksonville with his parents seven years ago and has since lived here.

The deceased was the son of Mr. and Mrs. George Daniels, 339 North West street, and leaves to survive him besides his parents, one sister, one brother, and his grandmother, Mrs. Lucy Greenwood.

Liter.

Mrs. Eva L. Liter died Sunday afternoon at 2:30 o'clock at the home of Joseph Gaul on East Chambers street. Death followed a long period of illness. The deceased before her marriage was Miss Eva L. Snyder. She was the daughter of Mr. and Mrs. Adam Snyder and was born Nov. 25, 1884 near Virginia.

On Jan. 5, 1904, the deceased was united in marriage to Ira E. Liter who survives her. She leaves also two sisters and two brothers, Mrs. Olive Long, Springfield; Mrs. Claude Dotson, living in Morgan county; Benjamin Snyder and Lewis P. Snyder of Chicago.

Funeral services will be held at the home, 302 East Walnut street, this afternoon at 1:30 o'clock. Interment will be in Jacksonville cemetery.

JERUSHA Dow's Album will be repeated at First Baptist church this evening at 7:30. Admission 10 and 15c.

Funerals

Mapes.

Funeral services for Landon Mapes were held from the Reynolds' chapel at 2 o'clock Monday afternoon in charge of the Rev. J. F. Langton, pastor of Trinity church. Burial was in Diamond Grove cemetery, the bearers being, Henry J. Rodgers, S. O. Barr, Charles Hopper, J. W. Robinson, E. F. Baker and George Harney.

DeWitt.

The funeral services of Else Dewitt were held Sunday afternoon at 2:30 o'clock in the Grace church. Rev. T. H. Tull, officiated.

Interment was in Jacksonville cemetery in charge of the Odd Fellows lodge No. 243. The following were bearers: C. J. Roberts, James R. Rice, C. H. Bausley, J. T. Smith, C. H. Martin and J. E. Prewitt.

The music was furnished by Messrs. James Givette, Maurice Peckham, C. B. Magill, and H. C. Hopkins. The flowers were cared for Mrs. Ed. Aldrich and Misses Anna Stauff, and Edna Aldrich.

Gasoline today 27 3/10c per gallon.—German Bros. Motor Co., East State St.

Social Events

College Hill Club

At 1. W. C. The College Hill club met yesterday afternoon with Miss Ruth Hills in the social room at the Illinois Womens College.

Miss Hills made a talk on "The Drama of the War," taking up the works of Percy Wild and James Barrie. The club spent some time afterward in discussing the plays.

Light refreshments were served following the program.

Abraham Lincoln

Subject at Conversation Club Mrs. O. F. Bufile entertained the Monday Conversation club at her home on West Lafayette avenue yesterday afternoon. The subject for the afternoon was "Abraham Lincoln." Mrs. W. A. Fay had charge of the program.

The hostess served refreshments during the social hour which followed the program.

With the Sick

Gates Strawn has been confined to his home on Fourth avenue for several days by illness. Charles H. Walker, a Civil war veteran, who has been employed at the Farmers' State bank for a number of years, is seriously ill at his home, 321 East Franklin street.

Mr. H. L. Woodall, of Winchester, was able to leave Passavant hospital yesterday.

NEW BUILDING NAMED FOR NEWTON BATEMAN

Board of Education Decides to Name New School for Famous School Master of Illinois—Plan for corner stone laying.

All the members of the board of education, were present last evening at a special meeting called to take action on the inscription which is to be placed on the corner stone of the New High School building, to take action on the bill of English brothers, contractors, which was presented for payment and to hear the report of the committee which is trying to evolve a financial policy for the board of education.

The president appointed a committee of three, members, Rogers, Pierson, and Black to be known as the High school building committee.

The first payment amounting to \$21,245.65 on the contract for the new building was approved and the voucher drawn.

The board then took up the question of the inscription on the corner stone, they decided that the names of the board would be too much and finally decided to place the date only on the corner stone. They also decided to invite the grand lodge thru the Most Worshipful Grand Master Daniel G. Fitzgerald, of Decatur, to take charge of the ceremony of laying the corner stone.

The board decided to name the New High school the Newton Bateman High school in memory of the famous "School Master" of Illinois. The name will recall the wonderful power which Mr. Bateman was in the history of education in Illinois.

Mr. Bateman graduated from Illinois College in 1843, and in the course of his long service in education, formulated the present system of public education in Illinois. He was for many years president of Knox College.

The president, secretary, and superintendent will prepare the contents of the box, which will be placed in the corner stone and the president remarked that he would be glad to receive suggestions.

Member Hopper reported that arrangements had been made with the city council to tunnel West State street for sewer connection and to tap the water from Jordan street.

Following the adjournment of the board the newly appointed High school committee met and organized. Member Black was chosen chairman and member Pierson secretary. It is the aim of this committee to keep in close touch with the work on the building and keep the board informed in detail of the progress.

The WALLIS TRACTOR is ready to demonstrate on any farm in this territory. Give us the chance to show you what it can do. REEVE & CURTISS, Jacksonville, Waverly, Springfield.

RECRUITING OFFICE NOTES

Chester M. Nichols, of Brownstown, Illinois, was the 31st, man to enlist at the local recruiting office, since January 19th. He enlisted yesterday for three years in the Medical Corps and will be stationed at Fort Sheridan.

The local recruiting office has received orders to enlist men as radio and Telegraph operators for the Washington Alaska Military Cable and Telegraph System. The pay and allowance of men in Alaska is over \$110.00, the 20 per cent increase for foreign service applies here.

Herman's Opening Display today. Everybody welcome.

Matrimonial

Hall—McGloshen.

Harry Hall and Miss Magarte McGloshen were united in marriage last evening at eight o'clock, by Rev. A. A. Todd at his residence.

Mr. Hall is a member of the firm Hall Brothers Milling Company on Walnut street and Mrs. Hall is the daughter of Mr. and Mrs. David McGloshen on North Prairie street.

Fanning—Wood.

Wilbur Fanning and Miss Helen Wood were united in marriage at First Baptist church Saturday evening, Rev. A. A. Todd officiating. Mrs. Fanning is the daughter of Mr. and Mrs. John Wood and has spent all her life in Jacksonville. After attending public schools here she graduated from Brown's Business college and is in every way an attractive young woman.

Mr. Fanning, who is a son of Mr. and Mrs. John Fanning, also attended the local schools and completed a course at Brown's the same year that his wife graduated. He is employed by the Jacksonville Railway & Light Co. and enjoys the confidence of his employers and friends.

The Bates 'STEEL MULE' Tractor is here. Come in and see it. JOY BROS. Garage.

MISS ATTERBERRY IS MARRIED IN SPRINGFIELD

DISCUSSED INTER CHURCH MOVEMENT

Dr. Augustine Talks of Plan in Forum Address—Audience Evicted Deep Interest in Subject.

A deeply interested audience heard Sunday night at the Congregational church a fine lecture by Dr. R. H. M. Augustine in the Inter Church movement. The gentleman is state supervisor and hence well qualified to speak. He has fine commanding appearance

MUSTEROLE—QUICK RELIEF! NO BLISTER!

It Soothes and Relieves Like a Mustard Plaster Without the Burn or Sting

Musterole is a clean, white ointment, made with the oil of mustard. It does all the work of the old-fashioned mustard plaster—does it better and does not blister. You do not have to bother with a cloth. You simply rub it on—and usually the pain is gone!

Many doctors and nurses use Musterole and recommend it to their patients. They will gladly tell you what relief it gives from sore throat, bronchitis, croup, stiff neck, asthma, neuralgia, congestion, pleurisy, rheumatism, lumbago, pains and aches of the back or joints, sprains, sore muscles, bruises, chilblains, frost-bitten feet, colds of the chest (it often prevents pneumonia) 30c and 60c jars; hospital size \$2.50

and is an easy, fluent and forcible speaker. His name suggests strenuous years in the early history of the Christian church when St. Augustine had such a prominent part in shaping great events.

The Inter Church movement is a get together of about 72 percent of the Protestant churches of the country for co-ordination in religious work, educational, financial, social and various other ways.

The great leading denominations, except the Southern Baptist, are either affiliated with the movement or are kindly disposed toward it and aiding it. In the latter class may be mentioned the Lutheran and Protestant Episcopal. Strangely the Southern Baptists are strongly opposed.

The speaker said in part. The movement is a trifle more than a year old yet it is the strongest baby in christendom. The foundations of the movement are being laid in the most intense period of our history. The great war has taught us many things and while other nations have suffered more than we all have been going to school.

During the great conflict political and sectarian lines were obliterated; thousands gave their services; some their precious lives and those who were not directly in the service, men, women and children, all worked unitedly for the welfare of the men under arms.

The Value of Unity. We forgot entirely to quarrel over minor questions and learned how fine it is to work unitedly for a common cause. We found a new appreciation of the value of united action and took delight in working side by side.

We trust now that the war is over and we can turn aside from the labors in which we engaged so eagerly and contemplate some of the things demanding the attention of the churches of the land. When we think of the fact that approximately half our population do not attend church it is time to be up and doing. The voice of the church has not been heard as it should in many directions. Today extravagance, hollow spectacular display, useless waste of money and the church has been out of touch with the better natures of the people. We have spent too much time

watching each other; have been too much given to jealousy and suspicion instead of getting after the common enemy of mankind. We hope that all denominations will share more and more in the great problems of the day. We need to go after the masses and not spend our time wholly in seeking the wealthy and influential and trying to get ahead of each other. Of course it is not the case in this city or vicinity but somewhere in the east there has been too much satisfaction on the part of some churches when one of their number gets into trouble or suspends. This is not as it should be.

The present is an excellent time for cooperation and coordination on the part of the churches. It is not at all contemplated to do away with any denominational lines but rather that each church may use its own organization in common with the others and thus present a united front without overlapping. The idea of the movement is to make it a general clearing house for the churches somewhat similar to the clearing of the banks in the cities.

Must Work Toward Common End. It like a ball team, each unit working toward a common end. The great aims are educational, financial and survey. Various denominations are making grand efforts in financial ways which is all right and these it is hoped may be coordinated to the great aim in view.

When we contemplate the meager results attained by some churches and different localities it is time we were awake to the great need of arousing all churches to a realization of the needs of the hour. All must take a part and be like our brave boys at the front when the order to go over the top was given. No one waited for another nor did they tarry for the officers to take the lead but all went with vim and energy. Each one must say this is his work and do his best to accomplish it.

People are generally responsive and the aim is to cultivate all. The labor unions have had a wrong conception of the church and the effort will be to have a better understanding there. This condition is not as bad here as in England. On the other hand the sad fact remains that there are far too few mechanics and laboring people in our churches and the question of how to reach them will be taken up. It must be remembered that the movement is yet in its infancy and the great effort now is to get all the individual churches into line and then take up the concrete plans for definite action.

Next week Admiral Moore on universal military training.

THE "BLUES" Caused by Acid-Stomach

Millions of people who worry, are despondent, have spells of mental depression, feel blue and are often melancholy, believe that these conditions are due to outside influences over which they have little or no control. Nearly always, however, they can be traced to an internal source—acid-stomach. Nor is it to be wondered at. Acid-stomach, beginning with such well defined symptoms as indigestion, belching, heartburn, bloating, etc., will, if not checked, in time affect to some degree or other all the vital organs. The nervous system becomes deranged. Digestion suffers. The blood is impoverished. Health and strength are undermined. The victim of acid-stomach, although he may not know the cause of his ailments, feels his hope, courage, ambition and energy slipping. And truly life is dark—not worth much to the man or woman who has acid-stomach!

Get rid of it! Don't let acid-stomach hold you back, wreck your health, make your days miserable, make you a victim of the "blues" and gloomy thoughts! There is a marvelous modern remedy called EATONIC that brings, oh! such quick relief from your stomach troubles—acts your stomach to right—makes it strong, cool, sweet and comfortable. Helps you get back your strength, vigor, vitality, enthusiasm and good cheer. So many thousands upon thousands of sufferers have used EATONIC with such marvellously helpful results that we are sure you will feel the same way if you will just give it a trial. Get a big 50-cent box of EATONIC—the good tasting lozenges that you can take a bit of candy from your drugstore today. He will return your money if results are not even more than you expect.

EATONIC FOR YOUR ACID-STOMACH

VISITOR FROM DULUTH. Thomas H. Killam of Duluth, in the county visiting relatives here west of Jacksonville. He has not been a resident of Morgan county for 37 years but has visited here several times since moving away. He is very proud of his northern home. "The

You, Mrs. Housewife, Should Attend Our Demonstration

Every housewife in this territory should attend the special Factory Demonstration on Leonard Hi-Oven Ranges to be held at our store on THURSDAY, FRIDAY and SATURDAY, March 25-26 and 27. These ranges represent the latest improvement in kitchen appliances. You should see them demonstrated. Come! Taste the delicious baking, too.

Leonard High-Oven Ranges

BAKE WITHOUT THE "AKE"

There are in all eighteen styles of Leonard Hi-Oven Ranges. Some burn only coal or wood—others burn gas also. All have the convenient elevated oven that takes the "ake" out of bake—and there are many other work saving features.

Make Your Kitchen Pleasant

A Leonard Hi-Oven Range is a combination cooking range and heating stove. The same fire that does your cooking and baking heats your kitchen also. You can heat your dining room, too, if you wish. Easily holds fire over night—thus no fires to kindle.

Reduce High Cost of Living

Do you realize the extravagance of using coal for heating and gas for cooking? Two fuels used where one fuel (coal or wood) with a Leonard Hi-Oven Range will accomplish both purposes. This means a saving of half the fuel. Then, too, there are many economical and palatable dishes that can be prepared in the winter when burning coal that cannot be prepared properly with gas.

MANCHESTER

Manchester, March 15.—Clyde Chapman and Miss Mary Cooper, both of this place were united in marriage at Mexico, Mo., Saturday, March 13. The bride has spent the winter in California and was met in Mexico on her return by the groom where the marriage ceremony was performed. They returned to Manchester Sunday and went immediately to their home on the East side by the groom, east of Manchester. The bride is the daughter of Mr. and Mrs. N. Robert Anderson, residing west of Manchester and has spent her entire life in this community, where she is held in high esteem by a large number of friends and acquaintances. The groom is a prosperous young farmer, having recently purchased the Chapman farm east of Manchester. His entire life has been spent in this community, where he is held in high regard. Many friends of Mr. and Mrs. Chapman will extend hearty congratulations in wishing them a happy and prosperous future. The remains of Flen Cooley, who passed away at Camp Fox Hill, Brooklyn, N. Y., last week, arrived Monday, accompanied by Mr. Reeves of West Virginia, a soldier of the U. S. Army. The remains were taken to the home of the deceased, Mr. and Mrs. Thomas Cooley, east of Manchester. Funeral services will be conducted from the Baptist church in Manchester Wednesday at 1 o'clock in charge of Rev. Fred Peck and Rev. N. Robert Anderson, interment in Manchester cemetery. Mr. and Mrs. Frank Blackburn were called to Jacksonville Sunday by the serious illness of Mr. Blackburn's sister, Mrs. G. N. Lucas, a patient at Our Savior's hospital. Mrs. Lucas recently underwent a surgical operation and is in a critical condition. Her husband, Dr. G. N. Lucas, and sister-in-law, Mrs. Larkin of Elgin, are remaining with her. Mr. and Mrs. Clinton McConnell visited in Alton Saturday and Sunday with Mr. and Mrs. Sidney Downey and family. Miss Covert Sunday with relatives in Jacksonville. Mrs. F. E. Clark spent the weekend with relatives in Chin. Dr. Ruyle of Jacksonville, conducted morning and evening services at the M. E. church Sunday. His sermons were strong and forceful and were very inspiring to the congregation in attendance. Mrs. W. C. Pearce spent Sunday in Peoria with her son, Fred S. Pearce, who is located at Law Point, with the Chicago and Alton railroad, as agent. Mrs. Tessie Cochran of Jacksonville called on friends here Tuesday. Mr. and Mrs. J. H. Rimbey are shipping their household goods to Jacksonville where they expect to locate soon. Mr. Rimbey recently sold his residence to Charles R. Heaton. Mr. and Mrs. Heaton and family expect to occupy their new home soon. Perry Alred and John Duncan were business callers in Carrollton Monday. While there Mr. Duncan was suddenly stricken ill, but was able to return home on the afternoon train. His condition is improving steadily. W. P. Rimbey and child, Fred Rimbey and Feeda Mae, spent Sunday with Mr. and Mrs. Samuel Rimbey in White Hall. Miss Cora Walker was called to her home in White Hall Monday by

DURBIN

Durbin, March 15.—Among those who are ill are Mr. and Mrs. David Rawlings, Mrs. Thos. Smith, Glenn and Allen Ebrey. Mrs. J. W. Scott has gone to East St. Louis to visit relatives. John Ebrey spent Wednesday in Springfield. Mr. and Mrs. Ralph Ebrey and Roy Smith were in Jacksonville part of last week. Mr. and Mrs. Wesley Bland of Franklin, spent Sunday with Mr. and Mrs. Milford Rees. Samuel Darley took a car of horses to St. Louis Monday. Part of them were of his own raising. Clarence Hawker was a Galesburg visitor Friday.

Herman's Opening Display today. Everybody welcome.

RHEUMATIC PAINS

Quickly Eased by Penetrating Hamlin's Wizard Oil
A safe and harmless preparation to relieve the pains of Rheumatism, Sciatica, Lame Back and Lumbago is Hamlin's Wizard Oil. It penetrates quickly, drives out soreness, and limbers up stiff aching joints and muscles. You will find almost daily uses for it in cases of sudden mishaps or accidents such as sprains, bruises, cuts, burns, bites and stings. Just as reliable, too, for earache, toothache, croup and colic. Get it from druggists for 30 cents. If not satisfied return the bottle and get your money back. Ever constipated or have sick headache? Just try Wizard Liver Wipes, pleasant little pink pills, 20 cents. Guaranteed.—Adv.

Busy Women

Clean Electrically
The woman who has many interests—housework, club, social, political, religious, athletic, educational—finds the electric cleaner indispensable. Her home is not slighted but is kept in better condition with less effort, in less time. Such a woman buys an electric cleaner as an investment—as a business man buys a typewriter or installs a telephone, for sound, practical reasons. People who know will appreciate the many good points of the Western Electric Cleaner. Demonstrations if you wish.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets
That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel. No gripping results from these pleasant little tablets. They cause the liver and bowels to act normally. They never force them to unnatural action. Dr. Edwards' Olive Tablets are a soothing, healing vegetable compound mixed with olive oil. If you have a bad taste, bad breath, feel dull, tired, are constipated or bilious, you'll find quick and sure results from Dr. Edwards' little Olive Tablets at bedtime. 10c and 25c a box.

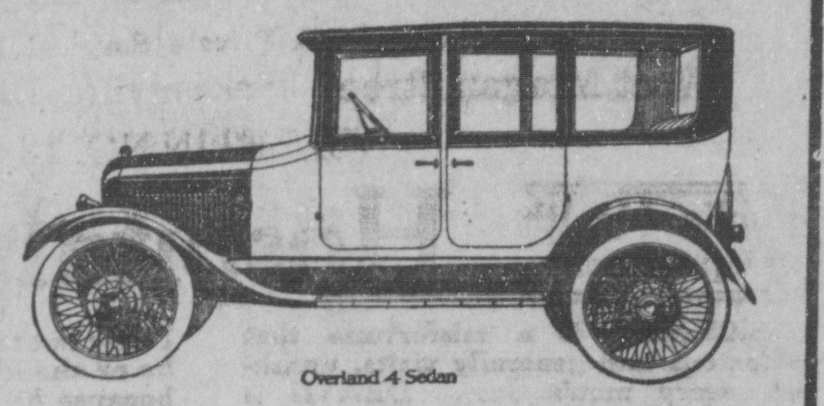

A Stubborn Cough Loosens Right Up
This home-made remedy is a wonder for quick results. Easily and cheaply made.

Here is a home-made syrup which millions of people have found to be the most dependable means of breaking up stubborn coughs. It is cheap and simple, but very potent in action. Under its healing, soothing influence, chest soreness goes, phlegm loosens, breathing becomes easier, tickling in throat stops and you get a good night's restful sleep. The usual throat and chest colds are conquered by it in 24 hours or less. Nothing better for bronchitis, hoarse ness, croup, throat tickle, bronchia asthma or winter coughs. To make this splendid cough syrup pour 2½ ounces of Pinex into a pint bottle and fill the bottle with plain granulated sugar syrup and shake thoroughly. If you prefer use clarified molasses, honey, or corn syrup instead of sugar syrup. Either way you get a full pint—a family supply—of much better cough syrup than you could buy ready-made for three times the money. Keeps perfectly and children love its pleasant taste. Pinex is a special and highly concentrated compound of genuine Norway pine extract, known the world over for its prompt healing effect upon the membranes. To avoid disappointment ask your druggist for "2½ ounces of Pinex with full directions and don't accept anything else. Guaranteed to give relief."

MISSIONARY PASTOR WRITES FROM CHINA

Persons interested in missions in the old world and especially in the work of Rev. Charles L. Storrs, will welcome the opportunity to read the most recent letter received from Mr. Storrs. It will be remembered that the minister missionary was in Jacksonville in the course of the past two years.

The letter reads as follows:
Shaoow, Fukien, China, January 1, 1920.
Dear Friends of Shaoow:
The end of a year and the beginning of a new one in China is like a Christmas, a time of great surprises and expected things. First of course there is Christmas itself, with its mission tree and tree for the little folks. We try to make it just as much like our home celebrations as possible, for in this pagan environment one does miss terribly that common spirit of cheer and good will that is characteristic of American Christmas even in so-called un-church circles.
The Chinese Christians celebrate Christmas much as they do their noteworthy birthdays on any date conveniently near the time, but right here in our mission center we insist as much as may be on the day itself, and the school boys and school girls get a holiday, trim the church, and have a roistering entertainment in the afternoon at the North Gate Church. This year again, thanks to the efforts of Mrs. Walker and Miss Walker, the boys' celebration was made into something worthy of the occasion, and the school boys and girls were successfully presented by a group of the Middle School (U. S. High School). The day schools and kindergartens have their own special celebrations when the mothers of the little folks come.
Another lumpy place in our end of the year is accounts. When they are all in and the treasurer's books audited, many of us feel just like some of you college boys and girls who have succeeded in "getting by" a semi-annual, and draw a great sigh of relief. If the different funds do not show a balance on the wrong side of the ledger, we feel as if we deserved more than a pass mark.
One thing that didn't pass this time was the one for building the little new dormitory for the Boys' Academy. It didn't pass because, to us Irishmen, there never was a fund. The boys and teachers and church people of different parts of our centers contributed between \$300 and \$400 and we bought our old house, more than 10 years old, in good condition, pulled it down, and set it up on the school grounds, surrounded with brick walls, and a second hand, and now have a trim little building that will house nearly thirty boys. But the ledger shows we have spent some what over \$750. May be some of you who believe that mission education ought to cost at least a pass mark will

help our slim mission purses boost this fund out of the hole and into oblivion.

Miss Burr, our new missionary, is writing the companion letter to go with this; but she is not our only new missionary. George Walker McClure arrived in our midst Nov. 15th, and Henry Codrington Storrs just a week later. Henry did some of the missionary work at the start by being a boy for the pagan neighbors around here, observing that the Kellogg had had a third little daughter come to them since living under this roof tree, and their cook two little girls, we Storrses, little Peggie, and our cook no children at all, had said that the spoons were bound to keep any boys from being born in this house, too many graves had been disturbed in building it. Now another spooky story is laid at rest, or will the inventive pagan mind be forever dubious until Henry has put seventy goor years of missionary living behind him?

Annual meeting in early December was marked by two specially happy features, one the ordaining of old Preacher Pan as a full pastor, and the other the dedicating of the new South Gate Church. Pastor Pan's winning the recognition under this end rather than the beginning of his best years of service, a Mohammedan Chinese convert in the early years of the mission, bearing the burnt and self-denial of those early days, faithful thru long years of service so that one of his several Chinese names, translated, means "Doing Faithfully," he will be an honor and a stimulus in the brief line of Shaoow pastors, among whom he is the sixth. But we must press ahead and get some of the younger men into the places where leadership and responsibility can logically devolve on them.

The other happy feature, the dedication of the South Gate Church, embodied a happy thought of the Chinese. On the occasion of the fortieth anniversary of the mission work here they conceived the idea of building a much needed chapel to commemorate those forty years of Dr. Walker's pioneer service. So now while he is still with us, blessing us with his counsel and spirit of cheer, here is the W. Walker Memorial Church, built with Chinese money from all over the world which he traveled so widely in the early years, you know we have a parish a little larger than the whole state of Massachusetts. The property is a fine old building erected in the Min Dynasty, more than 500 years ago, cleverly remodelled and adapted for the construction efforts of Mr. Ricks into an assembly hall that will seat 400 or more comfortably.

Early in the Chinese new year, more exactly March 25th, we Storrses expect to be sailing for Shanghai on the "Ecuador" for our furlough year. That year ought to give many of you, we hope, opportunity to ask face to face about all these and other Chinese ways of doing things that we in Shaoow are doing for and with you home friends in this part of the Master's Kingdom.
Cordially and faithfully yours,
Charles L. Storrs.

WORKS HARD TO AVERT FLU EPIDEMIC

Government and City Health Officials Warn People to Keep Clean.

Stay Away from People with Coughs and Colds.

"Avoid crowds if you want to avoid influenza," says Association for Improving the Conditions of New York.

Keep your hands clean, drink plenty of fresh water; sleep with windows open; eat three uniform meals a day including a good breakfast.

People who have catarrh or frequent colds invite influenza, declares a prominent Kentucky druggist.

The membrane of the throat and nose is raw, sore and tender, and makes a lovely abiding place for germs to thrive and multiply.

He advises an inexpensive home-made remedy that will bring relief in less than a day and will stop all discharge and soothe and heal the inflamed membrane in a few days. Thousands are making this beneficial remedy at home and anyone who has catarrh or a cold can do the same.

Pour three-quarters of an ounce of Mentholized Acreline into a pint bottle, then fill the bottle with water that has been boiled.

Gargle the throat as directed and sniff or spray the liquid into the nostrils twice daily. It's a simple way to get rid of cold and catarrh and keeps the nasal passage and throat clean and healthy.

Nearly all druggists dispense Mentholized Acreline in vials containing exactly three-quarters of an ounce, which is all you need to make a pint of this healthful medicine.

Seneca
is the dentrifice that contains the properties recommended as ideal by United States Army dental surgeons

A GREAT HUNT
C. O. Seymour, of Franklin, was in the city recently and made the Journal office a pleasant call and while here asked the writer if he remembered the great circle hunt in the vicinity of Franklin, March 12 '87. The writer was present and did remember it very well. It was about the last of its kind in the county. The plan was to have a headquarters in a large, open pasture where the commander in chief would have his station and receive word from the various lines or companies composing the hunt. The plan was for several hundred men to form themselves into companies under the command of a captain and while at first the various organizations wouldn't touch each other they would work in unison from orders from headquarters Col. W. J. Wyatt, was the commander in chief and the writer rode down in a buggy and sat by the colonel a good part of the day.

The season was quite advanced pastures were green and a cold almost hid in the growing wheat. The day was pleasant and no one was uncomfortable sitting in a buggy. The hunt was not very successful. The plan was to arouse any kind of wild animal, drive it until the pasture was reached when it would be surrounded by a cordon of men and then hounds were let loose to catch and destroy the results of the chase. By some unfortunate means several wolves were allowed to escape through the lines and the entire fruits of the day's work were two foxes.

Mr. Seymour said that not long before that he participated in a round up hunt in the vicinity of Scottville, when three wolves and some foxes were bagged. In the early days of the state a good many such hunts took place and the results were generally quite profitable as they tended to rid the country of predatory animals and also trapped some deer and other creatures good to eat.

I have the following cars on hand which I would like to close out as soon as possible:
